Environmental Services

Indiana Volkswagen Mitigation Roadshow Wednesday, August 29, 2018

Join Legacy Environmental Services in partnership with the [Indiana Department of Environmental Management](#) for an informative workshop on the Indiana Volkswagen Mitigation Trust Program! Hear from IDEM's Shawn Seals on the program basics and latest developments in the \$41 million diesel emission reduction plan. Learn how Legacy Environmental Services' fleet and facilities audits can help you get grant-ready and achieve the greatest financial and emissions savings. The workshop is free, but registration is required and space is limited. Lunch will be included.
