TRANSIT TALKS

HONEST & FOR-REAL CONVERSATION ABOUT PUBLIC TRANSIT

Members of the South Shore Transit Alliance believe that it's important to find out what the people who need and/or use public transit services – including seniors and people with disabilities – really think!

WE WANT TO KNOW WHAT YOU WANT AND WHAT YOU NEED

All comments and questions will be welcome at these transit talks, even the ones that are hard to hear and sometimes difficult to answer. Light refreshments will be served.
