About Drive Clean Indiana & Wisconsin Clean Cities

- Two of the U.S. Department of Energy's more than 75 Clean Cities coalitions.
- The organizations support the nation's energy and economic security by building partnerships to advance affordable domestic transportation fuels, energy efficient mobility systems and other fuel-saving technologies and practices.

About Drive Clean Indiana & Wisconsin Clean Cities

- Member-based, statewide nonprofit organizations.
- Support the advancement of alternative fuels, alternative fuel vehicles and sustainable vehicle technologies such as electric vehicles and their charging infrastructure. The efforts reduce the nation's dependence on imported oil, improve air quality, support local jobs, drive economic development and promote improved quality of life.
