About Drive Clean Indiana & Wisconsin Clean Cities

- Two of the U.S. Department of Energy's more than 75 Clean Cities coalitions.
- The organizations support the nation's energy and economic security by building partnerships to advance affordable domestic transportation fuels, energy efficient mobility systems and other fuel-saving technologies and practices.

About Drive Clean Indiana & Wisconsin Clean Cities

- Member-based, statewide nonprofit organizations.
- Support the advancement of alternative fuels, alternative fuel vehicles and sustainable vehicle technologies such as electric vehicles and their charging infrastructure. The efforts reduce the nation's dependence on imported oil, improve air quality, support local jobs, drive economic development and promote improved quality of life.

Annual Surveys Due March 4

Annual Surveys Due March 4, 2022

Help us put together a snapshot of how much petroleum & greenhouse gas emissions Wisconsin & Indiana reduced in 2021!

- Your data will help reflect to the rest of the U.S. all the activity and initiatives happening in each respective state.
- Awards will be given out each year at our Annual Meetings based on the data that is collected!
- All responses are confidential.
- Your individual numbers will not be shared with anyone outside the members of WCC staff.
- All stakeholders are encouraged to submit reports. You do not need to be a WCC or DCI member to participate.
- Depending on your area of business, certain tabs may not be relevant to you. Only fill out the tabs that are relevant.
- Data reflects any operations between Jan. 1-Dec. 31, 2021.

Surveys are available online under the About Us tabs on www.drivecleanindiana.org and www.wicleancities.org
